5 O'CLOCK RECORDINGS

EardrumsPop is a net-label closely related to the music blog Eardrums. We love warm and melodic music of all kinds, we believe in beautiful things you can see and hear, and we believe in working together, helping each other and getting good music and good art out to the public.

We do not believe in money, so all our releases are given away for free.

We HOPE that instead of supporting us, you can visit the websites of the bands you like, buy their releases, go to their concerts or just spread the word about these wonderful bands.

Projects are run and managed by the EardrumsPop-team,
Stefan, Tim and Knut

If you want to participate in any way, either with music, art or help with projects, please contact us at team@eardrumspop.com

You can also join our facebook group

The 5 O'Clock Recordings are also released
on a limited edition CD by Dead Penny Records.
